REMINDERS

AACBS is currently registering new students for the Spring Semester. We appreciate referrals of your friends and family. All American offers a referral incentive program that gives you \$25 credit for each referral that enrolls. We are so grateful that our business has been built on referrals by our dance family for the past 25 years.

If your dancer is interested in taking additional classes, now is a great time to do so since we are not working towards a show. Email office@allamericandancefactory.com to see what classes your dancer is eligible for.
