REMINDERS

AACBS is currently registering new students for the Spring Semester. We appreciate referrals of your friends and family. All American offers a referral incentive program that gives you \$25 credit for each referral that enrolls. We are so grateful that our business has been built on referrals by our dance family for the past 25 years.

REMINDER:

Please **NO** street shoes in the ballet rooms. We need to eliminate all grease, sand and dirt that can be tracked in from shoes. We appreciate your cooperation!

If your dancer is interested in taking additional classes, now is a great time to do so since we are not working towards a show.

Email

office@allamericandancefactory.com
to see what classes your dancer is eligible for.

ATTENTION

Dancers & Parents: Please make sure that you are washing your hands and using the provided hand sanitizer frequently. It is flu season and we want our dancers and their families to stay healthy. Do not send your dancer to class if they are feeling sick or have a fever!

Exciting News:

Our All American Ballerina, Julia Shugart, has announced that she will attend The Royal Ballet School in London in the fall. Julia received 8 offers to the most prestigious schools in the world including ABT in New York, Dutch National Ballet in Amsterdam and San Francisco Ballet but Royal Ballet was her dream school so she will be heading there in late August. We congratulate Julia for her hard work, talent and artistry and the entire AACBS staff for the wonderful training she has received. We will miss Julia at All American but we are very excited to follow her journey.
